

DEPARTMENT OF EDUCATION

Dr. Jennifer McCormick
Superintendent of Public Instruction

Working Together for Student Success

MEMORANDUM

TO: Superintendents
FROM: Steve Balko, Director of School Building Physical Security and Safety
DATE: August 9, 2019
SUBJECT: Stop the Bleed Questionnaire

The Indiana Department of Education (IDOE) is working with stakeholders to develop guidance materials regarding the implementation of [House Enrolled Act 1063](#) (School Safety Equipment). In order to develop a process that will direct school corporations and charter schools to resources for obtaining bleeding control kits and/or staff training, IDOE and its community partners are asking schools to provide data regarding the current status of these items in their schools via a questionnaire. This short questionnaire should take less than 10 minutes to complete. The link to complete the questionnaire can be found [here](#). **Please complete one questionnaire per school corporation or charter school by Friday, August 23.**

For additional questions, please contact Jolene Bracale at jbracale@doe.in.gov.
